WORK EXPERIENCE

The Baltimore Sun, Baltimore, Md. | Summer 2022

Visuals Intern

Photographed a wide variety of events, ranging from community block parties to The Preakness Stakes, as well as stories focusing on housing and the LGBTQIA+ community. Worked closely with editors and reporters on tight deadlines, using FTP filing.

Two Palms Press, New York City | Summer 2021

Studio Printmaking and Photography Intern

Assisted printmakers with various tasks such as silk screening, pressing prints, and mixing inks. Assisted in the process of photographing and cataloging artwork produced in the studio.

RIT Sportszone, Rochester, NY | 2019-2020

Sports Photographer

Photographed on-campus sporting events with hourly filing deadline for publication on RIT Athletics website and social media.

RIT School of Photographic Arts and Sciences | 2020 - Equipment Cager and Imaging Systems Lab Print Specialist

Assists students and faculty with checking in studios, cameras, lighting gear, and other equipment, as well as print and film processing orders.

Answers questions from customers and demonstrates gear. Knowledgeable of all camera systems, computers and software, portable/nonportable lighting equipment, and printing.

RIT School of Photographic Arts and Sciences | 2020-2021

Teaching Assistant

Assisted professor by checking student assignment submissions and provided technical support. Helped with individual and group critiques and lighting demos.
